Aspen Heights Senior Living

FROM THE DESK OF THE EXECUTIVE DIRECTOR

We were falling for our activities all October long!

From the delicious smell of freshly baked banana bread to the colorful pumpkins our residents painted, this month was filled with creativity, laughter, and plenty of fall fun. We also received a very special delivery and enjoyed the beautiful sounds of piano music.

There's nothing better than sharing these special moments with one another and finding joy in the little things each day. As we say goodbye to October and welcome the holiday season, we look forward to making even more wonderful memories together!
